

# Want To Make A Difference In A Childs Life?

## Sponsor A Horse At Reins From Above Therapeutic Riding Center!

Reins From Above Is A 501c3 Non-profit Organization That Uses Horseback Riding As Therapy For Special Needs Children In Our Community.

We Are Currently Seeking Organizations To Sponsor A Horse For Just \$100 Dollars Per Month For One Year.

During that year, your name or your companies name will be displayed on that horses stall for everyone to see! Your contribution is also tax deductible. By making this monthly donation you will be allowing RFA to use funds normally used for horse care to be used toward improving the therapy these children so desperately need.

If interested please fill out the form below and send to the address on the form with your first monthly installment of \$100. RFA will bill you monthly each month after that. For more info on our program please go to our website at [www.reinsfromabove.org](http://www.reinsfromabove.org) or call 919-938-1556.
